

Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Thursday 22 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Dry and mostly clear overnight. Sunny again tomorrow. Feeling fresher.

This Evening and Tonight:

Any cloud soon clearing to leave a dry night with long clear periods along with light winds. Another warm and muggy night to come, especially in towns and cities. Minimum temperature 15 deg C (59 deg F).

Friday:

It will be another fine day, with plenty of warm sunshine, although perhaps a little hazier than on previous days. Less hot compared to recent days. Breezier near the coast. Maximum temperature 26 deg C (79 deg F).

Outlook for Saturday to Monday:

Turning unsettled with rain or thunderstorms moving up from the south on Saturday. Further heavy and thundery showers on Sunday and Monday. Feeling warm and humid for many.
